### CAPTURE OF MONT ST. QUENTIN COMPLETES FLANKING OF CITY

In the North, English Troops Are  
Reported to Have Occupied  
Kemmel Hill

Front, Gaining One To Two  
Miles in Two Sectors

**BIG FRANCO-AMERICAN PUSH**

First Intimation Today That Yan-  
kees Are Fighting in Battle  
East of Ailette River

(By United Press.)  
London, August 31.—1:40 P. M.—  
British troops have captured Mont  
St. Quentin and are now only a mile  
north of Peronne, it was learned this  
afternoon. The city is thus sur-  
rounded.

In the north, the British are re-  
ported to have occupied Kemmel  
hill, the principal enemy bulwark in  
the northwestern portion of the  
Flanders salient, which the Germans  
captured several months ago after  
the bloodiest battle of the war.

British troops are advancing  
along practically the whole Flanders  
front, Haig reported today. They  
have progressed from one to two  
miles on two fronts, one of nine  
miles and one of three.

In the northern sector, the Rail-  
leul railway station has been oc-  
cupied. The British there are ad-  
vancing and also in the vicinity of  
Kemmel, southward.

Australian troops are attacking  
directly west of Peronne and are  
approaching the city along the north  
bank of the Somme. In the Arras  
region English troops have occupied  
Betterpigny and are advancing along  
the Arras Cambrai road. The Brit-  
ish hold Thuniesin and have oc-  
cupied a thousand yards of the Ger-  
man front line to the northwest.

**Positions Consolidated**  
Paris, Aug. 31.—The battle east  
of the Ailette river is proceeding.  
The enemy is unable to resist the  
Franco-American push.

This is the first intimation that  
American troops are fighting in this  
sector. The first Americans to en-  
ter the present Picardy drive are  
engaged about four miles south.

The bridgehead at Champs, four  
miles northwest of Concrey-Le-Cha-  
teau, has been consolidated and the  
French are nearing Folembray, two  
miles east of Champs, and are ad-  
vancing northeastward.

They have approached to within  
half a mile of the city north of Noy-  
on.

Steady and vigorous artillery bat-  
tling of the German line by the Am-  
ericans in the Chigny-Juvigny re-  
gion, coupled with the present work  
of the French, has rendered the en-  
emy position more difficult to main-  
tain.

**French Nearing Ham**

Paris, August 31.—The French  
are reported in the vicinity of Guis-  
card, the important town lying  
about midway between Noyon and  
Ham. They are also approaching  
Chauny, the great railway center  
east of Noyon.

North of Soissons, French and  
American troops are striking  
both north and eastward. They are  
advancing upon Vrency, four miles  
and a half east of Soissons and two  
miles north of the Aisne.

Violent artillery fighting between  
the Ailette and the Aisne where Am-  
ericans are fighting and along the

### Practically All Yankees Fight Alone

Statements by General March That  
American Troops Are Withdrawn  
From British and French Brigad-  
ing Are Regarded as Significant.

(By United Press.)  
Washington, August 31.—Senators  
who consulted with General March  
today, viewed as significant state-  
ments to the effect that Americans  
had been gradually withdrawn from  
British and French brigading until  
new practically all are operating in-  
dependent of the allies.

The purpose of the withdrawal  
was not revealed.  
There has been much speculation  
regarding the purposes of the all-  
American force.

Many officers have strongly in-  
timated that the Americans will be  
used for a vast tide along the line  
nearest to the German border.

The senators claim they were told  
more than 1,000 DeHavilland planes  
have now been delivered.

**Enemy Resists Strongly**

With the British Army in France,  
August 31.—Although heavy fight-  
ing all day yesterday compelled the  
British to give ground in some places  
between Bullecourt and the Senne  
river, counter attacks later reestab-  
lished some of the more important  
positions. The enemy has been re-  
inforced and is resisting strongly.

The weather is bad because of the  
heavy rains and wind.

North of the Scarpe, British  
troops advanced 600 yards in the  
region of Blouvaing. It is reported  
that a British patrol penetrated 2-  
000 yards behind Bailliet in Fland-  
ers.

### GOES TO CAMP DODGE SEPT. 3

Russell F. Carfield Selected on Lim-  
ited Service Call

The army selection board today  
received word that the one limited  
service registrant called to fill Rush  
county's quota at Camp Dodge, Des  
Moines, Iowa, on the last call,  
should entrain at 10:51 a. m. over  
the C. I. & W. Tuesday, September  
3. The board announced that Russell  
F. Carfield of Carthage had been  
selected to go.

Five registrants depart tomorrow  
on voluntary induction calls, to be  
trained as auto mechanics. Three go  
to Indianapolis and two to Purdue  
university. Both detachments leaving  
at 10:51 over the C. I. & W.

**CORP. FLEENER IS OVER**

Another Rush county boy has ar-  
rived safely overseas, was the word  
received by Mr. and Mrs. George W.  
Fleener this morning from their son,  
Corp. W. C. Fleener, 266 air service  
squadron. Corp. Fleener has been  
in training since last December at  
Camp Custer, Battle Creek, Michi-  
gan, and from there he was trans-  
ferred to Selfridge field, Mount Cle-  
mons, Michigan.

**POLICE STRIKE SETTLED**

(By United Press.)  
London, August 31.—The London  
police strike has been settled. It was  
announced this afternoon.

### CARGO STEAMER TORPEDOED

Joseph Cudahy Sunk Aug. 17 and 52  
Are Reported Missing

(By United Press.)  
London, August 21.—The United  
States cargo steamer Joseph Cuda-  
hy was torpedoed and sunk at sea  
about 700 miles from the English  
coast Aug. 17, the navy department  
announced today. Thirteen members  
of the crew were rescued and 52 are  
reported missing. The captain re-  
ported that two submarines were en-  
gaged in the attack. Two torpedoes  
attacked the ship. The captain was  
taken aboard one of the submarines  
and questioned.

### TOWNSHIP SCHOOLS WILL OPEN MONDAY

Work Will Start in Schools of Ru-  
ral Districts Earlier This Year  
Than Formerly

**HAVE SUFFICIENT TEACHERS**

The full term of the Rushville  
township schools will open Monday  
morning, although the schools in the  
city will not commence until the  
week following.

In all rural districts of the town-  
ship, work will start in full blast  
a week sooner than the usual annual  
schedule in order that it may be  
completed at a time when the service  
of the boys are not needed in the  
spring farm work. Teachers for ev-  
ery department have been secured  
and the numerous vacancies which  
existed at the opening of the vaca-  
tion have been filled. Because there  
will be no county fair this year, it is  
possible to advance the school calen-  
dar a few days.

### HOME SERVICE BOARD DOES EFFECTIVE WORK

Gives Selected Men Valuable In-  
struction Regarding Complicated  
Insurance Matters

**LITTLE TIME FOR OTHER WORK**

The Home Service department of  
the Board of Instructions for drafted  
men has already succeeded in  
doing an amount of effective work  
although the department has been  
in existence for only a short time.

When the board of instruction  
was formed a few weeks ago, the  
work of fitting the drafted men for  
military service and giving them  
preliminary instructions was divided  
into three sections with George C.  
Wyatt head of the home service de-  
partment, S. L. Trabue to give pre-  
liminary instructions in drilling and  
Walter Frazee to begin instructions  
in the Y. M. C. A. department.

Because of the short time between  
the announcement of the current  
quotas and the date set for the leav-  
ing of each contingent neither the  
drill nor Y. M. C. A. instructor have  
been able to do much work, but the  
assistance given by the Home Ser-  
vice department has been invaluable  
to the boys in clearing up com-  
plicated matters of insurance.

**PRIVATE CASEY IN FRANCE**

Private Will C. Casey, Ambulance  
Co. No. 34, has arrived safely in  
France, according to word received  
by his mother, Mrs. Sallie Casey.  
Private Casey left here April 27 for  
Camp Taylor, Louisville, Ky.

Miss Ida Laughlin will visit rela-  
tives in Indianapolis Sunday.

### MINIMUM FOR EACH COMPANY A DOLLAR

Orders of State Commission Regard-  
ing Gas Rates Received Today;  
Disclose This

**EACH ARE ALLOWED 40 CENTS**

Commission Comments on the Fact  
That Natural Gas at Moderate  
Rate is a Luxury

The two orders of the state public  
service commission increasing the  
rates of the Peoples Natural and  
Central Fuel Gas companies of this  
city, from thirty to forty cents a  
thousand cubic feet, were received  
here today by officers of the com-  
panies.

The orders are identical in that  
each company, in addition to being  
granted the increase in rates asked,  
was authorized to make a minimum  
charge of one dollar per month re-  
gardless of whether that much gas  
is used by the consumer, at the rate  
of forty cents a thousand.

The order is exactly what was  
petitioned for by the Central Fuel  
company, but the Peoples company  
did not ask for the permission to  
make the minimum monthly charge.  
Instead, the Peoples company asked  
for the authority to charge one dol-  
lar for the first thousand cubic feet  
of gas consumed, and fifty cents for  
each thousand thereafter.

This paragraph in the order to the  
Central Fuel company is significant:  
"The public service commission is  
not unmindful of the fact that who-  
ever is so fortunate to have natural  
gas for use at such a moderate price  
is enjoying a luxury."

The Central Fuel company's order  
says that the evidence sets out that  
this company's gross revenue for  
the four years preceding 1918 was  
\$25,697.28 and that its gross op-  
erating expense for the same period  
was \$18,947.73, making a net in-  
come of \$6,749.55, or an average  
yearly income for the four years,  
\$1,687.38. The evidence further  
shows a dividend of two and a half  
per cent was paid on the capital  
stock in 1914, one of one and a half  
per cent in 1915 and two per cent in  
1916 and 1917. Continuing the or-  
der says:

"It further appears that no salary  
is paid any officer of the company,  
except the Secretary, who receives  
\$1,000 per year. It also appears  
that the Engineering Staff of the  
Public Service Commission in 1914  
placed a value on said Central Fuel  
Company's property of \$33,849.60  
and a reproduction value of \$76-  
990.00. It also appears that should  
the prayer of petition be granted, it  
would furnish additional revenue to  
the amount of approximately \$1-  
300.00 per year. Evidence further  
shows that said Gas Company has  
205 consumers.

"Evidence disclosed the fact that  
for the year 1915, \$3,845 was  
charged off for depreciation; \$2,400  
for the year 1916 and \$2,400 for the  
year 1917. The Commission is not  
advised on what basis of value  
these amounts were charged; how-  
ever, 2 per cent on a valuation of  
approximately \$60,000 will be allow-  
ed for depreciation.

"The evidence further shows that  
for the year 1917 there was a bal-  
ance of net income which included  
taxes, depreciation and 2 per cent  
on capital stock of \$1,847.73, and  
with the additional revenue pro-  
posed \$1,300.00 would make a total  
net income of \$3,147.73.

"It further appears that to fur-  
nish a sufficient amount of gas to  
said patrons, it will be necessary to  
bore several new wells and clean out

### Registration Day Sept. 12

President Wilson Fixes Week From  
Next Thursday as Day For All  
Men Between 18 and 45, Who  
Have Not Already Registered, to  
Enroll For Military Service.

**2,300,000 FOR CLASS ONE**

(By United Press.)

Washington, Aug. 31.—President  
Wilson today set Sept. 12 as the day  
on which men between the ages of  
18 and 45 who have not previously  
registered for military service, shall  
be enrolled. Out of this great re-  
servoir it is estimated that over 2-  
300,000 men will be available for  
class 1. The first of these will be  
called as early as Oct. 1.

The president's proclamation to-  
day was issued immediately after he  
had signed the man power bill.

The forth coming draft, he de-  
clared, "will be our final demon-  
stration of loyalty, democracy and the  
will to win, our solemn notice to all  
the world that we stand absolutely  
together in a common resolution and  
purpose."

Explaining the 18 to 45 draft, the  
president said:

"This is not a new policy. A  
century and a quarter ago it was  
ordained by those who were respon-  
sible for the safety of the nation  
that the duty of military privilege  
rests upon all able-bodied men be-  
tween the ages of 18 and 45.

"We now accept and fulfill the  
obligation which they established, an  
obligation expressed in our national  
statutes from that time until now.  
We solemnly purpose a decisive vic-  
tory of arms and will devote the men  
of the military man power of the  
nation to the accomplishment of  
that purpose."

### SEVEN INDIANANS IN TODAY'S CASUALTIES

Official List Issued by the War De-  
partment Reports The Loss of  
236 Americans

**55 WERE KILLED IN ACTION**

Washington, August 31.—Seven  
Indians were included in today's  
casualty list which sent out from  
the war department at Washington  
contains 236 Americans killed and  
wounded in France.

The list was divided as follows:  
killed in action, 65; missing in ac-  
tion, 1; wounded severely, 120; died  
of wounds, 29; wounded degree un-  
determined, 20; prisoners, 1. Four  
Indiana boys were killed in action  
and three wounded severely.

Those killed in action include Elko  
Buzzard of Austin, Ind.; Evert Fink-  
binder, Huron, Ind.; Edward Walton  
of Brazil, Ind.; and Clarence Wiles  
of Flora, Ind. The wounded severely  
include Jesse Chapple, of Green-  
field, Ind.; Clifford Cox, of Rock-  
ville, Ind.; and Edward Minger of  
Indianapolis, Ind.

**British Take 1,700**

**Prisoners in One Day**

Paris, August 31.—The Brit-  
ish took 1,700 prisoners in the  
Bullecourt area yesterday, the  
newspapers declared today. In  
the last four days the British  
have captured 3,600 prisoners.  
In the Amiens region the al-  
lies took 220 guns, including  
some of the largest type 1600-  
mm machine guns and several  
direct trench mortars.

### CITY TAX LEVY TO REMAIN THE SAME

Council Decides Not to Change it  
From \$1.05 For 1919 But New  
Item is Added

**ONE CENT FOR STREET OILING**

This is Included Without Increasing  
Levy by Reducing Bond Levy  
One Cent

The city tax levy next year will  
be the same as this year—\$1.05 on  
each one hundred dollars of taxable  
property.

This was the decision of the city  
council which met in special session  
last night to prepare the 1916 budget  
and fix the levy.

Although the tax levy will be the  
same, it will contain another item,  
providing for raising by taxation a  
sufficient amount to oil the streets  
of the city without following the  
usual custom of oiling by assessing  
the abutting property owners.

It was estimated by the council  
that the streets can be oiled for \$3-  
100, and this sum can be raised with  
a one-cent tax levy, because the as-  
sessed value of Rushville property,  
for 1919 taxation purposes, is \$3-  
047,575.

The extra cent for oiling was ad-  
ded without raising the levy, by re-  
ducing the levy on bonds and inter-  
est one cent. The levy last year was  
nineteen cents, but because of there  
being no new bonded indebtedness  
this year and some of the principal  
is paid off each year, not as much  
money will be required in this fund  
in 1919.

The tax of eighty cents for the  
general fund and six cents for the  
library fund was not changed. The  
library board made no request of  
the city council for either a decrease  
or increase in the levy for public  
library purposes, and it was pre-  
sumed by the council that the pre-  
sent levy would be satisfactory.

Although it might have been pos-  
sible to make a slight cut in the gen-  
eral fund levy, the council deemed  
it the wisest policy to leave it the  
same as last year because of the  
unsettled condition of affairs due  
to the war. With the cost of liv-  
ing constantly on the increase and  
city's expenses mounting all the  
time, it was the unanimous opinion  
of the council that the rate should  
remain the same.

The ordinance fixing the levy and  
appropriating funds for next year's  
business, also contained the usual  
provision that there should be col-  
lected one dollar on each poll, one  
dollar for each male dog, two dol-  
lars for each female dog and two  
dollars each for every dog over one,  
male or female.

Many taxpayers are of the op-  
inion that paying for the street oiling  
from a special fund raised with a  
general tax levy is the most equit-  
able way, rather than each property  
owner bearing the expense of oiling  
the street by his property. It is held  
to be as fair for all the taxpayers  
of Rushville to pay for oiling the  
unimproved streets, as it is for all  
of the taxpayers to pay for the upkeep  
and cleaning of the improved  
streets.

The appropriations made for the  
year are as follows:

Street oiling, \$3,100; salaries, \$6-  
500; water and light, \$24,000; fire  
department, \$5,500; streets, \$7,000;  
board of health, \$500; bonded in-  
debtedness, and interest, \$5,471;  
street and sidewalk intersections,  
\$3,500; express, postage, telephone  
and telegraph, \$100; printing and  
miscellaneous expenses, \$1,000.

## FIRST INSTITUTE OF YEAR IS HELD

Teachers Of County Meet Here To-  
day Preparatory To Opening Of  
Schools Monday.

### THE SCHEDULE FOR THE YEAR

Joint Township Institutes Will Be  
Held Every Saturday Beginning  
September 21

The first institute of Rush county  
teachers, relative to the work of the  
1918-19 school year, got under way  
in the assembly room of the court  
house at nine o'clock this morning,  
with representatives from each  
township present.

The work consisted in eleventh  
hour preliminaries for school offi-  
cials and since most of the county  
schools open Monday, the lectures  
given were most timely, especially  
to the teachers who are to take  
schools for the first time. General  
instructions concerning the depart-  
mental work comprised the main to-  
pics of each section of the program.

Although the institute today was  
one of county wide note, it is the  
last of such size which will be held  
in the fall and winter series. Dur-  
ing the remainder of the institutes  
which have been scheduled for the  
fall and winter, the county has been  
divided in the following manner:

Beginning September 21 each third  
Saturday in the month will be the  
date set aside for the combined in-  
stitute of Anderson, Orange and  
Ripley townships.

Beginning September 28, each  
fourth Saturday will be utilized by  
the Rushville, Noble and Posey  
township combined institute.

Beginning October 5, the first Sat-  
urday in each month will be the date  
of the combined institutes of Rip-  
ley, Jackson and Union townships.  
The same dates will also mark the  
meetings of the teachers of Walker  
township.

Beginning Oct. 12, the second  
Saturday in each month will mark  
the institute programs for the  
teachers of Center and Washington  
townships.

## HOG MORTALITY IS LEAST IN 30 YEARS

Less Than Thirty Thousand Lost in  
Last 12 Months, Dr. L. E.  
Northrup Declares

### RECORD CAN BE IMPROVED

Use of Reliable Remedies and Pro-  
per Measures of Sanitation  
Will Do It

(By United Press.)

Indianapolis, Ind., Aug. 29.—Less  
than thirty thousand hogs have been  
lost in Indiana during the last twelve  
months—the lowest mortality re-  
cord in thirty years, Dr. L. E. Nor-  
throp declared today. This record  
was made despite the fact that there  
was an increase of about 40 per cent  
in the number of hogs in the state.

Northrup announced that less  
than 2 per cent of the hogs shipped  
from the public stock yards in the  
state have been lost. From 7,000 to  
10,000 are shipped monthly.

He declared that by the use of  
reliable remedies and by the taking  
of proper measures of sanitation,  
this record could be improved.

"Thousand of dollars are being  
spent by the farmers for so called  
'remedies' which are being used  
without results," he said. "Farmers  
should not buy medicine for a well  
hog. No stock food ever cured a  
sick hog. Only reliable products  
should be used."

Northrup stated that the pork  
production in the state this year  
will be even greater than last. The  
number of hogs is steadily increas-  
ing while the death rate has been  
cut down to a minimum.

## Amusements

### "A Game With Fate" Tonight

The amazing story of a young  
millionaire who gambled with des-  
tiny, is told in "A Game With Fate,"  
the picture at the Princess tonight,  
in which Harry Morey and Betty  
Blythe are featured. Smiling Bill  
Parsons, a Saturday night favorite,  
will be here in "Dad's Knockout,"  
which is labeled a feast of fun and  
frolic.

"The Unbeliever," which will begin  
a two days engagement Monday at  
the Princess, has been more widely  
discussed than any picture issued  
this year. The unusual theme with  
which it deals, together with the fact  
that it has a war setting with a  
United States marine in the leading  
role, makes it distinctly out of the  
ordinary. The following comment  
from the New York Tribune, is typi-  
cal of that which has appeared in  
the press wherever the picture has  
been shown:

Even in these days when patrio-  
tism is rampant and martial music  
stirs the blood and makes the pulses  
pound, when the sight of the Stars  
and Stripes brings the people to  
their feet cheering, and olive drab  
and blue are the only colors a man  
may wear and be popular—even in  
these days the demonstration at the  
Rivoli Theatre was notable at the  
showing of "The Unbeliever." This  
is surely the best war picture which  
has been shown and there have been  
several. The scenes which show the  
actual trench warfare are wonder-  
fully done, and there is nothing in  
the picture which is found in the  
usual war picture. Raymond McKee  
is seen as Philip Landient, a young  
idler, who sees the boys marching  
away in khaki one day when he is  
playing golf and is immediately in-  
spired to follow in their footsteps.  
Raymond goes over, but announces  
that he is an unbeliever. He refuses  
to give up his disbelief in God, his  
class prejudice and his race hatred.  
He is won over to a belief in God  
when his life is miraculously spared  
on the battlefield; his class pre-  
judice is wiped out when a former  
chamfleur who is fighting by his  
side carries him through No Man's  
Land and thereby loses his own life,  
and his race hatred fades away  
when he sees a Jewish rabbi crawl  
out among the wounded soldiers and  
give those who cry for it, a crucifix.

## An Engine Is No Better Than Its Cylinders and Pistons

You don't have to send your Ford out of the  
City to have it Re-bored.

Having recently installed in our shop a new  
machine for re-boring Ford motors we wish  
to call your attention to the fact that we are  
now prepared to re-bore and fit new over-  
size pistons and rings in your Ford motor.

### These are the results you obtain by re-boring

- You increase power from 10 to 50 per cent.
- You eliminate that elusive knock.
- You stop the escaping gas around piston rings which abnormally  
heats the crank case.
- You stop the admission of auxiliary air past the piston rings  
which dilutes the mixture.
- You use less lubricating oil.
- You use less gasoline.
- You drive slower on high gear.
- You take hills with perfect ease and grace.
- You attain greater speed on level.
- You eliminate the over-heating.
- You stop fouling your plugs.

Our Price is Reasonable.

Bring in your motor and let us fix it up.

**DRAFT TREATY WITH GREECE**

Greeks Here May be Affected by the Agreement Regarding Conscription

A treaty providing for the drafting for military service of Greek citizens in America and American citizens in Greece will seriously hamper the operation of the Greek candy store here, which is operated and managed entirely by Greek citizens.

Both George Katsaros, manager, and his assistant, George Georges, are within the limits of the draft age and unless exempted along similar lines as those offered by the draft boards of the United States army, will be forced to enter the service, leaving their business here in other hands. The owner of the store, Mike Katsaros is already in the service as a private in the United States national army.

**MINIMUM FOR EACH COMPANY IS A DOLLAR**

Continued from Page One

a number of old ones, and in view of the increased cost of labor and materials of all kind much additional revenue will be needed.

The Commission is of the opinion that the investors, or stockholders are entitled to a reasonable return on the present value of said property, the amount being approximately \$60,000.

After setting forth that the present value of the property of the Peoples Natural Gas company, as ascertained from the evidence, is approximately \$61,155, the order in this case says:

"It further appears that the total operating revenues of this property for the years ending July 31, 1915, 1916, 1917 and 1918, were \$10,349.70, \$13,565.10, \$15,179.55 and \$14,253.20, respectively; that the total operating expense for the same period of time including a salary of \$2,000 for the directors and the item of taxes, were \$5,932.13, \$5,972.72, \$6,255.33 and \$7,396.69, respectively, leaving a net operating revenue, or gross income for the same period of time, of \$4,417.57, \$7,592.38, \$8,924.22 and \$6,856.51, respectively. Taking the value as hereinbefore found, of \$61,165.00, the net operating revenue for the year ending July 31, 1915 would pay 7.2 per cent; the net operating revenue for the year ending July 31, 1916 would pay 12.4 per cent; the net operating revenue for the year ending July 31, 1917 would pay 14.6 per cent, and the net operating revenue for the year ending July 31, 1918, would pay 11.2 per cent.

"If it were not for the tremendous depreciation which natural gas companies are subject to, it would seem that the rate of return hereinbefore shown would be sufficient. The Commission believes that it is a matter of common knowledge, of which we have the right to take judicial notice, that natural gas throughout the State of Indiana is rapidly disappearing, and that it can be but a few short years until it will entirely disappear. Therefore, if the Commission in justice and in fairness would allow this company 8 per cent depreciation upon its gas wells and 3 per cent depreciation upon its distribution system, the rate of return would be inadequate and insufficient. Therefore, under the conditions now obtaining, the rapid disappearance of natural gas, the competitive condition existing in the City of Rushville, the high cost of other fuels, and the low price now obtaining for natural gas, the Commission is of the opinion that petitioner should be entitled to receive an increase of 10 per 1,000 cubic feet of gas sold, and an order will be drawn accordingly."

### Women's Right to Vote

Women have always been entitled to the franchise, which would put them, in this respect, on an equality with men. Some years ago those who espoused the cause of equal franchise, were very much in the minority. Very lately the "cause" has been winning recruits and many are now willing to admit that women are entitled to the ballot, who once ridiculed the doctrine of equal rights in civil life.

The fight of women for their clear title to a place in the constellation on election day has always been just; it is for this reason it has never lost ground. But the battle now is even more justifiable because of the war.

Nothing can appeal more to the sense of justice in the patriotic man or woman than the campaign slogan of the Woman's Franchise League, which seek to enlist 850 members in Rush county next week. Who will fill the places of America's fighting men across the seas on election day? Will it be the eighty thousand alien enemy voters who are registered and ready to vote in Indiana? Will it be the thousands of aliens from other lands? Or will it be the patriotic women of Indiana who have given their sons to the cause of freedom?

This is the appeal the Franchise League makes to the people of Rush county for support. The support given it next week will determine whether Rush county believes it just and right. Everyone will have an opportunity to support this cause in more than one way. The Rush county league wants 850 members, and since the dues are only fifty cents a year, it is not so much a question of financial as moral support. The League also wants about five thousand signatures to a petition for an amendment to the federal constitution.

This is purely a war measure. Let's see if Rush county will measure up to her responsibility the same as she has in every other patriotic enterprise.

### Belgium Bereft

While following Minister Brand Whitlock's continuing serial, doubtless many a reader has wondered how the poor Belgians are faring now that they are deprived both of American aid in substantial form and of the powerful remedial efforts of the Minister from the great neutral country which the Germans were anxious to keep out of the war. Even while Mr. Whitlock was in Brussels and exerted himself in their behalf the Belgians suffered terrible things. How hard must be their fate now! Brand Whitlock is modestly reticent, far from making a boast of what he accomplished, but a story of remarkable achievement may be obtained from his more or less incidental statements and from the accounts of other witnesses.

The gratitude of the Belgians toward the United States and Mr. Whitlock personally was touching in its completeness. The three persons mentioned in the prayers of all de-

vout-Belgians were "the King, the Cardinal and the Minister"—the last, though there were other foreign ministers, being always and only Mr. Whitlock. When the Germans forbade them to display their own national colors they displayed American flags and rosettes instead. On every national American holiday they planned a monster celebration in this nation's honor, and when Mr. Whitlock urged them to refrain, fearing that the Germans would fire into the crowds, they insisted each time on a "silent demonstration," and then all day long old and young, rich and poor, filed past the American legation, leaving their cards or slips of paper on which were written grateful words. When they presented a priceless painting to the American people it was significantly stipulated that it be hung in the art museum of Mr. Whitlock's own city of Toledo. Of course the Belgians want us in the war, but how they must have grieved to see the Stars and Stripes go down and "the Minister" depart.

### American-French Marriages

French girls are being advised to serve their country as well as help themselves by procuring American husbands. In some instances the advice involves a distinct tribute to the character of our soldiers overseas. A writer in one Paris journal, for example, says to young French women: "There are many Americans in France and you know very well how charming they find you. They find our women more disposed to be fellow-workers with them than those of other countries; they appreciate you highly, but, my dear little French girls, you must not be frivolous. Americans are grown-up children, somewhat ingenious, a trifle puritan, and quite ready to marry you, and an American husband and a French wife make an excellent married couple. So do not waste the chance of that marked purity which is so seldom found among the men of ancient Europe." Another Paris paper reports with gratification that such marriages are "becoming very common."

The average American girl will not be roused to any great enthusiasm on reading the like of this. She wants France to be given all possible help, but giving in this form will not strongly appeal to her. She need not fear, however. American soldiers will be grateful for the society of nice French girls and some of them will capitulate to Gallic charm, but the vast majority will be only too glad to come home when their work is done, and they will come heart whole and fancy free or still devoted to the chosen girls they left behind them.

The announcement that Bolshevik Russia had declared war on the United States received about as much attention as the last report of the sinking of one of our fishing boats by a U-boat. The Bolshevik servants of Germany are important only at Berlin.

Senator Lodge is quite right and no doubt voices the general conviction when he says that a peace dictated by the Allies is the only acceptable kind because that alone can provide security.

After creating a desert in northern France the Germans are now fertilizing it with their own dead. Seldom has retributive justice arrived in so terrible a form.

Wonder if General Bernhardt still preaches that war is "beautiful now that he is on the run and knows of the many sound thrashings his associates have received.

When Marshal Foch says "everything is going well" he says as much as we could expect or desire, for the really great commander is never a booster.

Hale Fisher of Decatur, Ind., is the week-end guest of relatives in this city.

Shortly after leaving this city Thursday afternoon, Otis Drake of Washington, D. C., was instantly killed and his wife seriously injured when the auto in which they were riding over turned a short distance over the Rush-Fayette county line in Fayette county.

Mr. and Mrs. Drake who have numerous friends in this city were enroute to their home from Columbus, Ind., and had stopped in this city for a short time, only an hour before the tragedy occurred. Mrs. Drake was driving at the time of the accident, the car skidding as it went up a steep hill and over turning in the ditch. Mr. Drake's head was crushed and bones in his arms and legs fractured and Mrs. Drake who suffered numerous bruises, is believed to have been injured internally.

They had been on an extensive tour through the states and were returning to their home.

**KILLED SOON AFTER HIS BAPTISM OF FIRE**

Robert E. Kennington Of Indianapolis, Well Known Here, Gives Life In 24 Hours

**IN FIRST FT. HARRISON CAMP**

Twenty-four days after receiving his "baptism of fire" Lieut. Robert E. Kennington, of Indianapolis who is known in this city, was killed in action. According to information received today death occurred August 8.

Lieut. Kennington was a member of the first officers training school at Ft. Harrison and was commissioned second lieutenant in the infantry, and upon completing a course in the signal school near Paris a few months ago, was advanced to the rank of first lieutenant.

In recent letters received from the Hoosier officer shortly before his death was announced, he told of going into the front line trenches July 15, which was the opening of the present allied offensive.

**SET GOAL IN OPENING THE WORK FOR THE YEAR**

Teachers and Officers Of M. E. Sunday School Aim For International Standard

**WANT CLOSE CO-OPERATION**

That they may reach the international Sunday school standard is the goal which the teachers and officers of the St. Pauls Methodist Sunday school board have set for their aim in the opening year's work.

At a recent meeting of the board which was held at the home of the primary department secretary, Mrs. George Hogsett, plans were inaugurated whereby each department may arrange the work to include the necessary points included in the standard Sunday school education. In order that the end may be reached, the closest co-operation will be necessary both between the heads of the various departments and between the teachers and pupils. The temperance and missionary departments of the church are also included in the work which makes up the ten points required to reach the goal of the Sunday school.

**Days Pickings**

Dr. J. F. Lankford, who was commissioned first lieutenant in the medical corps some time ago has been sent to Norfolk Va., where he will be located. Mrs. Lankford formerly resided in this city and both Mrs. and Lieutenant Lankford are well known here.

An informal musical was given last evening at the Second Methodist church in which numerous out-of-town talent participated. Among those who appeared on the program are Mrs. Andrew Hinton of Peoria, Ill., Miss Sarah King of Indianapolis and Miss Gladys Chinn of New York.

Miss Gertrude Snodgrass, daughter of Mr. and Mrs. L. C. Snodgrass of this city, underwent an operation at the Methodist hospital in Indianapolis Wednesday for the removal of her tonsils and adenoids, has returned home and is improving rapidly from the effects of the operation.

**Insists That Frail, Nervous Women Can Speedily Become Strong and Vigorous**

A Vigorous Healthy Body, Sparkling Eyes and Health-Colored Cheeks Come in Two Weeks, Says Discoverer of Bio-feren.

World's Grandest Health Builder Costs Nothing Unless It Gives to Women the Buoyant Health They Long for.

It is safe to say that right here in this big city are tens of thousands of weak, nervous, run-down, depressed women who in two weeks' time could make themselves so healthy, so attractive and so keen-minded that they would compel the admiration of all their friends.

The vital health building elements that these despondent women lack are all plentifully supplied in Bio-feren. If you are ambitious, crave success in life, want to have a healthy, vigorous body, clear skin and eyes that show no dullness, make up your mind to get a package of Bio-feren right away.

It costs but little and you can get an original package at any druggist anywhere. Take two tablets after each meal and one at bedtime—seven a day for seven days—then one after meals till all are gone. Then if you don't feel twice as good, look twice as attractive and feel twice as strong as before you started, your money is waiting for you. It belongs to you, for the discoverer of Bio-feren doesn't want one penny of it unless it fulfills all claims.

Note to Physicians: There is no secret about the formula of Bio-feren. It is printed on every package. Here it is: Lactin; Calcium Glycero-phosphate; Iron Peptonate; Manganese Peptonate; Ext. Nux Vomica; Fowd. Gentian; Phenolphthalein; Oleoresin Capsicum; Kolo.

The home of Miss Helen Scudder in West Second street, was the scene of a prettily appointed social affair last night when she was hostess at an informal buffet dinner party honoring Miss Harriet Vredenburg, who will leave next week to enter nurses training school at St. Vincent's hospital in Indianapolis. Dinner was served in the dining room which was artistically arranged for the occasion in yellow and black. A centerpiece of black-eyed Susans formed a decoration for the table with strands of green ribbon extending from the center of the table to each corner. The guests included Mrs. Fred Arbuckle, Mrs. George Hogsett, Mrs. Nell Ashworth, Mrs. Will Carter, Mrs. Hale Pearsey, Mrs. Francis Moor of Chicago, the Misses Lucile Linn, Leah Flint, Hannah Morris, Alma Green, Fanny Stiers, Rel-

ma Clark, Mayme Hiner, Nettie Clark, Wanda Wyatt, and Laura Holden.

A pretty wedding was solemnized at the home of Mr. and Mrs. Shell Burrows in Anderson township Wednesday afternoon, when their son Vernace and Miss Annis Pearl Smooth of Indianapolis were married, the Rev. J. Ed Murr officiating. Following the ceremony an attractively appointed dinner was served to the guests, who included only the immediate families. Mr. and Mrs. Burrows will reside in Indianapolis where the bridegroom is an employee at the Big Four railroad station at the Speedway.

The Y. P. C. C. of the First United Presbyterian church held their monthly business meeting and social on Wednesday night at the home of Byron Wainwright. The young people are making preparations for the Presbyterian convention to be held Sept. 4 and 5. A very pleasant evening was spent by the following guests: the Misses Irene Ellingwood, May Cheek, Goldie Cheek, Marie Taylor, Hazel Taylor, Alta Hockersmith, Rubey Sterrett, Marie Sterrett, Leola Wainwright, Mildred, Mary, and Leonia Rankin, Mable Jessup, Goldie Jessup, Leda Greene, and Perry Hockersmith, Robert Dudgeon, Mr. and Mrs. Otto Hockersmith, Mrs. Evanline Cheek and the Rev. John T. Aiken.

A wedding of interest to local people was solemnized in Indianapolis Thursday evening when Miss Edith Pearce, daughter of Mrs. Florence Pearce of this city and Linsey Cain were married. The bride who has spent her entire life in this city is extremely well known here. Mr. and Mrs. Cain have returned to this city for residence while Mr. Cain is engaged as assistant freight agent at the C. I. & W. depot. Mr. Cain is a former resident of Connersville.

A recital was given last evening at Glenwood, by the pupils of Miss Jennie Allen, assisted by Miss Lois Reeve, violinist, of Rushville. Not as many people attended as were expected because of the weather conditions, but in spite of this fact a goodly sum was realized for the Red Cross, for whose benefit the recital was given. The sum of \$11.55 was added to the Glenwood auxiliary treasury, money will be used for the purchasing for yarn and other necessary articles.

A pretty afternoon party was given Thursday afternoon at the home of Mrs. E. R. Jeffery in Falmouth when she was hostess to the members of her Sunday school class. The rooms of the home were attractively decorated for the event in strands of red, white and blue paper combined with flowers, and during the afternoon contests furnished pleasant amusement for the twenty-five guests. Light refreshments were served.

One hundred and eight members of the Hunt family attended the reunion which was held here at the coliseum yesterday. At noon a pitch-in dinner was served after which a business session was held. G. P. Hunt, was elected president; Earnest Hunt, vice-president; A. R. Holden, secretary; Mrs. Ellen Worsham, historian.

Miss Lois Reeve, an accomplished violinist, gave a number of very interesting solos. The applause by the people showed that they were thoroughly pleased. The eighteen pupils who participated in the program, all rendered numbers beautifully.

The Young Ladies Mission Society of the Main Street Christian church will meet Monday evening at eight o'clock with Mrs. Norman Crum, 839 North Jackson street.

Forty delicate French children, predisposed to tuberculosis have been completely restored to health by treatment in the Edward L. Trudeau sanatorium supported by the American Red Cross. These children are now being returned to their families. Eighteen sufferers from bone tuberculosis shortly will be sent for seaside open air treatment to the shores of the Bay of Biscay.

## "EVERYTHING WRONG"

**So It Seemed To This Lady, Until Cardui Relieved Her Suffering.**

Wyandotte, Mich.—"About a year and a half ago," writes Mrs. Florence Rogers, now of this place, formerly of Florida, "I had got in very bad health. Everything was wrong. I couldn't eat anything that didn't make me suffer...My limbs also gave me great pain and the pains in the limbs extending down to the knees. I too had awful pains in the back and was very thin and run-down in health...was terribly nervous. Everything would startle me...

An acquaintance told me of the great benefit she had received from Cardui...I was so bad off I couldn't do my work. The little daughter had to take charge of the work, and I could hardly walk...I began using Cardui, and in about a week I felt much improved...I got better right along, after taking the Cardui...In about 2 weeks after taking the Cardui, I was able to do all my work except the washing...In a month more, I could do all my work, and the washing too."

Ladies! Take Cardui, the woman's tonic, for your troubles. It has helped thousands of other women in the past 40 years. Why not you? Your druggist sells Cardui. NCB-13

## Rush County Reaches Its Nurses Quota

**Simultaneously With Announcement Comes News That Student Nurses May Be Sent to France, Which May Swell List Here.**

Almost simultaneously with the announcement that Rush county's quota of twenty nurses for the nurses reserve had been reached, has come the news from Washington that student nurses may be sent to France for training.

According to the announcement, students in American hospital which organized base hospital units for service in France, will be permitted to go to France for training on the recommendation of the medical staff officers under General Pershing. The number of nurses to be permitted to go to France will be limited.

Whether or not this interesting arrangement may apply to any of those twenty nurses who have been enrolled in Rush county is a question. It is possible, however, that a few of those enlisted here may be given the privilege of studying in France, if they desire to do so. That such training would put an amount of experience in the course which could not be obtained in an American hospital, is granted and doubtless numerous local girls will apply for the overseas training.

The enrollment was completed here last week following a thorough canvass of the county under the direct leadership of Mrs. A. L. Stewart, and the fact that oversea

training is a possibility, another list of the available young women from the county is expected to swell the nurses reserve honor roll here.

Rush county was one of the first in the state to report a completion of the quota and because the report was rendered in such a complete and excellent condition, it drew letters of praise from the state officials.

## NAMED DELEGATE FROM RUSH COUNTY

**Miss Anna Bohannon Selected to Attend Mississippi Valley Tuberculosis Conference**

**MEETS IN ST. LOUIS OCT. 2-4**

Governor Goodrich has appointed Miss Anna Bohannon to represent Rush county at the sixth annual session of the Mississippi valley conference on tuberculosis which will be held at the Planters hotel in St. Louis, October 2, 3 and 4.

This conference embraces eighteen states and is a meeting of vast importance to the entire Mississippi Valley. The speakers will be people of National reputation and the opportunity of hearing them is a rare one, to say nothing of the inspiration and education to be gained by such associations.

The fact that the deliberations of the conference must be materially influenced by the war will make it an unusually enthusiastic and interesting session.

## TO DISCUSS GIRLS PART IN THE WAR

**Mrs. A. L. Stewart Will Speak at Opening Meeting of Epworth League After Vacation**

**MUSICAL PROGRAM ARRANGED**

"The Girls Part in the War," will be discussed by Mrs. A. L. Stewart at the initial meeting of the Epworth League of the Methodist church tomorrow evening, following the summer vacation.

The meeting of the league will have a patriotic atmosphere and the program is being planned especially for the members who are leaving soon to enter training in the various nurses schools in the state to prepare themselves for military service, and the address by Mrs. Stewart who is enrolling chairman for the nurse reserve here, will give valuable insight to the many lines of military service which are open to the women of the country.

The program will be in charge of Miss Harriet Smith and among the musical numbers will be a solo by Miss Mary Louise Bliss and a trio by the Misses Kathrine Giffin, Marjorie Thomas and Kathrine Wooden.
